## Dear Friends

You will all by now have heard the rumour, some of you may still not believe it! Those of you who were at the dance on 22 may will have seen it with your own eyes!

The village hall is now in practical use - the floor having been laid and the stage built.

It would not be right here to discuss in detail the reasons for delay. I hope that you will accept my word when I say that an extensive file of correspondance demonstrates your committees considerable attempts to expadite matters.

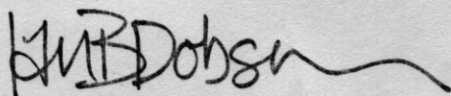

In any event the hall is now usable though several finishing touches are required e.g. curtains; fixed bar; heating; and various items of furniture. Your contributions to these efforts will be appreciated.

Whilst your committee will continue to organise what general fund raising events it can we could not hope to organise everything. Thus we hope that activity groups will form and organise themselves, report- to the committee. To assist this process I have decided to hold an open meeting where activity groups can come together. The result of this meeting will, I hope be the submission by all activity groups of proposed usage and bookings. On receipt of these submissions the committee will attempt to set out a programme of bookings giving each group reasonable and considered dedicated times - thus avoiding any question of 'first come first served'.

Please make every effort to attend and meet people with similar interests No-one need be left out - if you have an activity idea do please come along - and those already organised groups; W.I.; Drama; Yoga etc will also need to be represented. If you cant attend please ask a friend to make representations on your behalf. DATE 16 June 8pm

Dont leave it <sup>to</sup> someone else - the hall is for your use- please use it.

Finally your committee is now aiming for an 'official opening' in sept/oct - exact date to be announced. You have a superb hall - probably one of the best in the county - and its opening merits some celebration. We hope to make it a day to remember. A celebration of your acheivement.
