

A bi-monthly newsletter produced by the Village Hall Committee

VILLAGE HALL NEWS

We must congratulate the Wreningham Fête Committee for arranging yet another lovely sunny afternoon for this year's fête! All who attended enjoyed a sociable time together and raised approximately £290 for village organisations. A contribution is to be made to the Playing Field Committee and to the Women's Institute with the biggest contribution going towards the setting up of an indoor bowling club in the Hall (more of that later).

The Village Hall Committee is trying to arrange for the outside of the Hall to be re-decorated under the aegis of the Youth Opportunities programme and looks forward to the results of this co-operative venture.

An imaginative programme of events is being planned for the second half of 1984 and we look forward to seeing you joining in with these community activities. Now read on!

LOCAL NEWS

The Wreningham Churchyard (Garden of Rest)

It is most pleasing to report that the churchyard is looking tidier after being cleared and cut. All the help so far has been much appreciated and further help in removing footstones, levelling and clearing round the stones will be most welcome. Please 'phone 284 or contact me at Walnut Tree Cottage.
K.A.H.

There are one or two members of the Patchwork Group who would like commissions for quilts, cot quilts, table-mats, etc. If you would like anything made for yourself or a present please 'phone 649 for information. By the way, the Group will be making wall hangings of their own homes, beginning first Monday in September. If you would enjoy making one of your home do come. Expert help and advice given. We meet in the Village Hall Committee Room at 8.00 p.m. every other Monday.

Please note that there have been two burglaries in this area in the last few weeks. Don't take it for granted that this peaceful spot is safe from such unpleasant intrusion. Keep your doors and windows fastened if you're not around. Report anything suspicious to the police.

COMING NEXT MONTH

Sponsored cycle-ride Saturday 15th September

Do you and/or your family enjoy cycling? Then why not spend a Saturday cycling around as many churches as you have the energy for! Raise money for the Church or Chapel of your choice - details from J. Hanton, Keramet, Top Row, Wreningham.

Did you know that there is a book stall in most of our local churches? Many people have been helped and encouraged by borrowing books from Wreningham Church. The stock is getting a little old now and it would be possible to buy new paperbacks with your help. Please come and buy some home-made cakes and pastries outside Wreningham Church on the first Saturday in September - 10.00 - 11.00 a.m. All contributions welcome - 'phone 649. Proceeds towards new books.

A complaint has been received from a Parish Councillor about cars being parked in the Village Hall lay-by. Only for loading and unloading please. Otherwise use car-park.

VILLAGE FÊTE

A social evening, with coffee, will be held in the Village Hall on Thursday 20th September to discuss early plans for a really special fê[^]te next year - (Next year's fê[^]te date SUNDAY 14TH JULY). It seems a good idea to have such a meeting whilst ideas are still fresh from this years' event. Please come if you thought of ways in which the fê[^]te might be added to.

With the decision to donate the major part of the fete proceeds towards providing equipment for indoor bowling this now becomes a positive project with definite action imminent. Would those interested in forming an Indoor Bowling Club watch out for details in the near future regarding its formation.

COUNTRY DANCING

We are giving everyone a rest in August but look forward to seeing the "regulars" plus some new faces when we recommence with renewed vigour on
