October/November issue

A bi-monthly newsletter produced by the Village
Hall Committee

VILLAGE HALL NEWS

We don't seem to have had a very good summer here in East Anglia compared with many other parts of the country. Nevertheless we do have the satisfaction of seeing all the straw baled up in the fields and knowing our own freezers and larders are full of locally grown summer produce. Now we have to start thinking about winter with its dark evenings and looking forward to some of them spent at our village activities. Read on for more news of coming events and details of clubs and classes available to you. Please also support the Annual General Meeting on 1st November at 8.00 p.m.

We would love to announce the start on building the bar, entrance lobby and store but regret that to date we have not been able to raise the necessary cash - some £2000 - maybe one day!!

DISCODISCO NEWS

Next, and probably last, teenage disco with soft drinks bar

FRIDAY 5TH OCTOBER

unless attendance is much higher than on the previous two occasions when we barely covered the cost of the disco hire.

TALKING POINTCOFFEE SHOP

(Every Wednesday morning in Village Hall)

TALKING POINT

Re-opening Wednesday 3rd October - 10.30 - 11.30 a.m. Everyone welcome. Home made scones, filter coffee, tea, as normal.

Thank you to Beryl, Eva and Pat who kept the coffee shop spirit going with their home-based coffee mornings during the holiday months. Around £130 was raised at these events and the money is already spent! We thought we could do with a large hot water boiler and some plates so we bought them! Thank you to all who came, gave, bought and enjoyed.

MEMO: We will be holding a further JUMBLE SALE on SATURDAY 24TH NOVEMBER and collections will be made nearer that date so please don't discard anything too hastily.

BONFIRE NIGHT

MONTH

As usual we will have a big bonfire on the village hall car park. All children (and adults!) welcome to come along. Bring your own fireworks and have them set off by responsible adults. Hot soup, hot dogs, crisps, coffee and squash will be on sale. You may not realise it but the village hall always donates a substantial number of fireworks to add to those brought along by you.

BRIGHT IDEAS ?

BOWLS CLUB NEWS

Once again the bowls season has drawn to a close, no great honours for the Club this season, but many enjoyable games. Congratulations are due to the block of Keith and Alfred Howlett and Stanley Rogers for winning the Brewery Block. As the Bird in Hand has been sold, and no chance of playing on the green next season, a meeting has been arranged for 7 o'clock on 1st October in the Village Hall to discuss any ideas you may have for playing next season, and also what we should do with the cash we have in hand. There is also a meeting at 8 o'clock to form an indoor Bowls Club for the Village Hall, so please come along if you are interested. S.R.

ON STAGE

FOOTBALL

FOOTBALL TRAINING

If there is enough support I am planning to hold training sessions in the Village Hall on Wednesday evenings from 6.15 - 7.45 p.m. during the winter season. It will be compulsory to change into soft shoes for this session both to protect the floor and to keep it dirt free as there is a keep-fit session later on the same evening. The ball used will be a soft one.

As the Hall has to be paid for it will be necessary to charge 40p a session - this will pay the hire fee and hopefully provide a bit extra towards new balls and nets for next summer.

The sessions will be open to any boy between the age of 8 and 14 and will commence on the first Wednesday in October - the 3rd.

DID YOU KNOW that the internationally known reflexologist Robert Dallamore comes to the Village Hall every Tuesday morning to hold a clinic? (You may have seen him on T.V. only two weeks ago). He is prepared to start as early as 8.00 a.m. so appointments before work can be arranged. For more information or appointments please ring Pat Butcher on Fundenhall 347.
