Message From the Chairman.

As I write these short notes, there are only 38 days before the Christmas Festival is here again - perhaps its getting older but the years seem to fly by!

I would like to wish you all a Very Happy Christmas and Peaceful New Year.

Notes of activities for December will be found listed in this issue and we look forward to your support.

I shall be holding my annual "Pip's Bingo" on Wednesday, 19th December at 7.30 p.m. Proceeds from this event go to Village Hall Development Funds. All prizes are donated by our regular Bingo Players, Social Club and Management Committee members AND BY YOU IF YOU SO WISH! Its a fun night for all the family - Can we look forward to seeing you? - and it is hoped that our Carol Singers are going to call during the evening.

SEE YOU ALL AT THE NEW YEARS EVE PARTY.

Happy New Year

GET FIT- KEEP FIT

It is hoped that we shall be able to arrange classes to start early in the New Year - These will probably now be on a Wednesday evening, at 8. 15 p.m. I will contact all those who have expressed an interest. Anybody else can contact me on Wymondham 602754.

South Norfolk District Council - Environmental Health Dept
Tel: 0508 31122 have produced a booklet on Recycling.

It covers why, what and where to recycle an enormous amount of items that we normally put into the bin bag.

Glass as you know can be put into the banks at The Bird in Hand, or Village Hall Car Park.

Paper can be delivered to Mrs Logie, Rectory Cottage. This is sold in aid of Guide Dogs for the Blind so you are helping a good cause as well as recycling paper.

Cans - There are more and more banks available for cans of different sorts. At present the most convenient one I know of is at Somerfields but no doubt many of the big supermarkets have can banks in their car parks.

Envelopes: If carefully opened can be re-used using re-use labels which are on sale in some stationers or through Friends of the Earth.

Stamps - Postage stamps are collected for sale to the stamp industry and used as a fund raiser by the RNLI. Mulbarton Guide Company will collect these stamps. Maybe with all the Christmas Cards it would be worth taking time to cut the stamps off the envelopes.
