A bi-monthly Newsletter

As I sit down to Edit this 'Mardle' we have just experienced the first really sunny days of spring with the birds singing, the flowers bursting into bloom and the insect world waking from its winter rest. All, I hope a promise that winter and snow are gone.

I open the mardle file and yes!

As usual I have one item to edit, many notes in my own hand of things people have mentioned and a few dates in another hand. So, I am sorry but yet again the mardle will be mainly written by the Editor.

On a sad note, it is unfortunate that most of the money made at "Pip's Christmas Bingo" has had to be spent on repairs about the hall caused either by carelessness or vandalism. We had to repair a number of broken windows, a door panel and one of the new tables. Ofcourse, nobody knows how or when any of the breakages came to happen! Maybe the same gremlin damaged the cricket pavilion door and windows.

On a much happier note, I am pleased to say that at long last we have managed to find somebody to run a keep fit class. Every Wednesday at 8.15 p.m. between 20 to 30 men and women, under the instruction of Sally spend an hour exercising to music. If you want to join in, just turn up with a blanket and £1.50. All ages and standard of fitness are welcome.

We are sorry to see the darts players leave the hall but this winter they have struggled to get a team so for the time being there will be no regular darts at the hall. However, their place is currently being taken over by ballroom dancing classes. The Social Club has found new instructors in John and Christina, and numbers so far have remained above 30 people each week. Classes are likely to stop for the summer from about the end of April but could be continued in the autumn if there is enough interest. Also, if the enthusiasm continues, maybe we shall be able to run dances to records, open to others who like to dance.

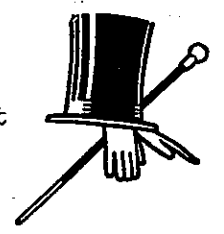

This brings me nicely to another point. If there is enough interest it is hoped to bring back 'Jonathon Wyatt's Big Band'.

Possibly as soon as 26th October this year. If you are interested please let Andr ee (8182) or Liz (734) now!

GENERAL KNOWLEDGE QUIZ ??? - A team from Wreningham has been entered in the Village Halls Association Annual Fun Quiz. The Captain is David Coleman. How about you supporting our team on Wednesday 17th April at 7.15 p.m. in Hempnall Village Hall.

Come on David, let's put Wreningham on the map.

JUMBLE SALE - Sat. 27th April at 2 p.m. in aid of Hall.

Now that the sun is shining, everybody is spring cleaning, that means you have all turned out your cupboards and draws and are asking what to do with the jumble.

Jumble, bric-a-brac or other saleable items can be left at the hall on Friday 26th between 8 - 10 p.m. or on Saturday morning, or contact a committee member if you need items collected. Anybody willing to help should turn up at the hall at 10 a.m. or 1.30 p.m. on 27th.

CRICKET - The cricket season is upon us but the first few games are away.

Sun. 21st April	A	The Civil Service
Sun. 28th April	A	Norfolk and Norwich Hospitals
Sun. 12th May	A	Taverham
Sun. 19th May	H	Saxlingham
Sun. 26th May	A	Swardeston

Enquiries are in hand for the Radio Norfolk match which it is hoped will be early in the season - possibly late June - early July.

OPEN GARDENS SUNDAY - The date will be fixed as soon as the Celebrity Cricket Match date is known as it is felt that to see the full splendour of all our gardens we need this event to be at the end of June or early July.

It is intended to replace the annual fete with this event this year and the Grand Draw will run in conjunction with the Open Gardens Day. It is also hoped to have stalls and sideshows on many of the lawns. Several people have already offered their gardens or other curtilage facilities, but if you would like to join the list contact Roger Kingwell (757). As well as planned gardens we need tennis courts, barbeque areas, croquet lawns etc.

Watch Out For Posters and Next Issue of Mardle for Final Details.
