MESSAGE FROM THE CHAIRMAN

You will see from the enclosed, details of the Festival week-end 19th & 20th September. As in 1989 we are hoping to have about 25 craft exhibitors in the hall. Keith Skipper has promised to bring his Radio Norfolk Cricket XI to play Wreningham on the Sunday.

In All Saints Church there will be a Flower Festival, which promises to be the best ever.

May we look forward to your support at all these events. Pip.

VILLAGE HALL EXTENSION - LATEST NEWS

Since the last edition of the Mardle the Management Committee has pressed on with the plans for the extension.

In order to ensure that the interests of all concerned are safeguarded a Building Surveyor has been engaged to prepare the detailed plans and specifications and obtain tenders for the work. Once this has been done it will be possible for the grant application to be submitted to South Norfolk District Council for consideration at the end of September. Depending on the outcome of that application the building work could start soon after.

Read your next Mardle for further progress report.

Roger Kingwell, Vice-Chairman.
