APRIL/MAY 2003

From The Chairman,

Although it was not an event organised by the village hall management committee I feel I must comment on the success of the recent pantomime. With a full house each evening, a cast of 30 people and a supporting team of about 20, the hall was far fuller than for a long time, and what a production! I have heard nothing but praise. This event really brought people together and many found talents they did not know they had. Well done everybody.

With the recent sunny weather I am sure many of you have been thinking "garden". Have you also been thinking "open garden"? Time is getting away and we need to be hearing from you if we are to have enough gardens to make this as successful as in the past. Please give either Ian or Geoff a phone call.

Open Gardens - Sunday 15th June

Have you got a garden to be ashamed of and you don't mind admitting it? Would you like some wonderful, FREE ideas of how to make-it-over just like they do on the TV? If so we need you for the 2003 Open Garden event. This year a special 'design a garden' feature has been proposed. But we cannot do that without the right garden. So, alongside those gardeners who have something to be proud of, we also need volunteers from those who want to be proud.

Are you volunteering a garden (good or bad), ideas or yourself to help on the day? If so call Ian (488429) or Geoff (488468) who are waiting to hear from you.
