FEBRUARY/MARCH 2000

From Your Chairman,

We crossed the date line into a new millennium without the world coming to an end so now we can mark on our calendars the events planned, so far, for the year 2000.

The first, a chance to do some early spring cleaning and turnout all the cupboards. A Jumble Sale is planned for Sat. 11th March starting at 11 a.m. - Please let us have items for sale just after 9 a.m. Helpers would also be welcome.

On Friday 24th March we are running a Casino Evening in conjunction with Hapton School at 7.30 p.m. - watch out for posters giving details. The Open Gardens Day is on Sunday 25th June - and an Art Exhibition is planned for the week-end of 8th - 10th September. Keep these dates free!

Hope to see you at some of these and other events around the village.

Gary Mutton, Chairman

Wreningham "All Saints" Church

This being the first "Mardle" of a new year and a new century a very Happy, Healthy and Prosperous time to you all.

We were pleased to welcome so many of you, including a large number of children, to the Carol service and again to the dedication of "the clock". certainly it is a focal point as I am sure everyone must look at it as they pass the church. After the service of dedication a number of the congregation stayed for refreshments.

We invite you all to take part in our lent project to provide millennium momentos for the children of the village - more details elsewhere in this edition. We would also like to see you at the Scottish Evening.

MILLENNIUM CLOCK

The clock was installed in December and it was working as we entered the new millennium. It was dedicated at a service conducted by Rev. C. Styles on Sunday 2nd Jan. when the church was almost full. We have still to receive the final bills but funds have come in very well and we do not think we shall be far short. We are still looking for donations, which should be given to Ivan Howlett, and up until the end of February these will be listed on the roll of benefactors. Below is given a list of the present benefactors, this is so that anybody on the list can check that the entry to be on permanent display is correct. If your entry is not correct please advise Ivan before the end of February. Ivan Howlett can be contacted on 489388.

Photographs of the church while floodlit were taken, These have come out very well and are on display in the Margaret Preston room at the village hall. If you would like a copy it is hoped that these can be reproduced to order and details are available with the photographs.

Millennium Memento
For the Children of Wreningham.

This is the Lent project for Wreningham church, and you are invited to take part. Lent begins on Ash Wednesday, 8th March and runs for 40 days. Many people, even if they are not regular church attendees give up sweets or some luxury for Lent. If you are one of these people, please consider giving the money saved to our project. Alternatively, rather than abstain you might like to donate every time you enjoy a special treat, e.g. a meal out, a bottle of wine or what ever you think of as a luxury. It is hoped that this project will raise enough money to provide each child living in Wreningham with a Millennium Memento. Until we know how much money is raised and how many children there are it is not possible to say what age group we will be able to include or what the memento will be. During Lent we hope to visit every house with a letter containing a form for families with juniors to complete and an envelope for any donations. In the meantime if you would like to support the project remember that Lent starts on 8th March.

MARDLE DELIVERY - We need a volunteer to deliver the Mardle to Mill Lane and along the Turnpike as Mrs Taylor who has been doing this round is leaving the village. On behalf of the committee I would like to thank her for her past help and wish her and all the family, including the 4 dogs, health and happiness in their new home.
