APRIL/MAY 2005

**Keith Skipper
&
The Press Gang
are coming to town!**

Saturday 2nd April

See over for details

From The Chairman,

Despite a poster on the back of the last edition of the Mardle and an A4 poster in the middle, and coverage in all the local newspapers, several people in this village are still not aware that the village hall management committee has booked Keith Skipper and his Press Gang to appear at the hall on Saturday 2nd April. Tickets are still available for me (Christine Minns, High Gables, Church Road), at £7.00 each. Doors open at 7 pm for a 7.30 pm start. Get your friends to join you for a fun evening!

Following my appeal in the last Mardle we have had 2 people come forward to offer to serve on the village hall committee. Thank you! We look forward to working with you as part of our team. If anybody else is interested we are always willing to welcome you and thus spread the load.

I offer congratulations to Mark Francis who has recently passed his "National Licensee Certificate". This means that he can now apply to the Courts for acceptance as one of the Licensees for the village hall. If anybody is thinking of owning their own pub or licensed premises in the future, how about getting your licence now and becoming a joint Licensee for the village hall along with Mark. This could be a help in your future application. We would welcome hearing from anybody interested. Mark would be able to guide you through the procedure.

A Tribute to Stanley Rogers

Those of you who have lived in Wreningham for a number of years will know that Stanley Rogers, over many years, took an active interest in the village hall serving on the Management Committee, keeping the grass round the hall tidy, helping at fund raising events and a Mardle deliverer for about 20 years. His recent death will mean the loss of a loyal supporter and our thoughts go out to his family at this time.

The committee sends best wishes to Stanley Goodrum, another long serving committee member who is in hospital and about to undergo treatment. We wish him well and hope to see him back in the village soon.
