JUNE/JULY 2005

From The Chairman,

The level of activities at the village hall planned for June/July seems to be low. Maybe everybody has taken on board the suggestion that we are in for a hot summer and they are thinking of garden parties and b-b-q's at home instead. Certainly, if the weather continues as it is at the time of going to press we are in for a dry hot time!

Lets hope that the summer is a time to recharge the batteries ready for the Art Exhibition on 14th to 16th October and, - dare I suggest it? A Christmas pantomime at the end of November.

South Norfolk Council are encouraging parish councils to introduce their own composting system. They believe this service to be the final part of the jigsaw, which will see all residents served by an appropriate affordable and environmentally sound service. The parish council is keen to know if there is any need for such a system in Wreningham. If you would like to see this type of system in place, please contact the clerk.

It is that time of year when the village looks beautiful, the greenery is rife! It also means that in particular the hedges are growing up and blocking the road visibility in places. Could we, please ask all residents who have hedges near the highway, that they trim them back to allow road users maximum visibility.

The next parish meeting will be on 19th July 2005 at 7.30 pm in the Margaret Preston room at the village hall.

Ashwren Players

We will be holding our Annual General Meeting
in the Margaret Preston room at the village hall
on Monday 6th June 2005 at 7.30 pm

The group is hoping to stage a pantomime in late
November so if you would like to be involved in any
capacity please come along.

In addition we are hoping to run several events during the
coming months to raise funds to renew and update the
lighting and sound systems in the hall, for the benefit of
all users and hirers. We are hoping for the support and
encouragement of all the villagers in our effort to both
raise the necessary funds and for the events themselves.
We will be applying for grants from the appropriate
bodies to help with the costs and plan to complete this
venture as soon as possible.

The events will be publicised in the Mardle and by
posters. (The first is detailed below)
