APRIL/MAY 2011

From The Editor

The muddy car park was repaired in time for the pantomime, and I thank all those who helped with this project.

Talking of the pantomime, I hope that all those who saw "Jack and the Beanstalk" performed by Ashwren Players enjoyed their untraditional version of a well known story.

Congratulations to all the cast and helpers, especially those who got involved late in the day to produce some excellent costumes.

For events coming up, read the rest of this edition and mark them in your diary.

The last "Free Sale" was again well supported, so watch out for the date of the next one and start boxing up your items for recycling in readiness.

Join our friendly team of Volunteers in Norwich

Help us support even more people with dementia and their carers locally.

Roles involve engaging with people living with dementia during groups and day activities, by assisting them in joining in with social activities (board games, arts and craft, singing etc) or help create a Life Story Book, a collection of photographs and memories of a person's life who is now living with dementia.

It is important you are willing to develop your knowledge of dementia, have good listening and communication skills and the ability to be calm, patient and caring.

We can provide ongoing support, good training and any out of pocket expenses
