OCTOBER/NOVEMBER 2011

From The Editor

With the nights pulling in, the winter season events are back in the hall. Chris and Julie have worked hard on the arrangements for the Safari Supper on Sat. 1st October. This is always one of the major fund raising events for the hall along with the Art Exhibition, this year planned for 11th – 13th November. Entry forms will be going to the exhibitors any day now and tickets are on sale for the pre-view evening, on Friday 11th November, 8 pm to 10 pm- price £4.00 to include a glass of wine. If you are looking for a painting either for yourself or a Christmas present then this would be an opportunity for you to have first pick. The What's On page gives you details of our regular hirers and I am sure you would be welcome at any of the activities in the hall which appeal to you, do come along and use the facilities which the Management Committee works so hard to provide.

Why not help boost funds by bringing your produce to sell – veg., fruit, jams, etc. Our thanks to all those who have supported this project since January.

Countryside Code

We have some lovely walks around the parish which are enjoyed by parishioners, their families and friends, visitors and pets. A few moments' carelessness can spoil that and over time turn an asset into something less attractive. When out walking remember to respect and care for our paths and countryside and think of others – take your litter with you, clean up dog messes, stay on the paths. All of this is in the Countryside Code which can be found on the Natural England Website.

Anybody is welcome to join us at this service of thanks giving. This is one of the occasions in the church year when the church is decorated with many floral displays thanks to our team of flower arrangers. We shall endeavour to unlock the church during the day, in the week following Harvest Festival so that, if you were unable to attend the service, you will still be able to call in and look at the flowers. The harvest produce will be taken to the Cheshire Home at East Carleton.

WRENINGHAM FUEL TRUST

The Trust Deed sets out that “The income from Wreningham Fuel Trust has to be given in providing fuel for the poor persons of the parish of Wreningham”. This means that the charity income is available to anybody in the parish who is in need and the application may be made by the needy person or anybody who wishes to nominate a person to receive help towards their fuel bills. It is a requirement of the Trust Deed that all the money received in the year is paid out in the same year.

Traditionally, in the event of few applications, the Trust invites persons over 70 years to apply to the fund.

We are now inviting applications for a distribution to take place in January. Please apply by Wednesday 9th November with name and address of applicant or nominated person to the clerk: Christine Minns, High Gables, Church Road, Wreningham, NR16 1BH. (Tel: 488123). If you need any further explanation or details do contact me by phone.

Re-Cycling – After the success of the Free Sales, there has been some thought to trying to introduce a further re-cycling scheme. What do you do with your fruit juice cartons, yogurt pots and foil for instance? There are grants available which could make it possible for us to organise some form of collection bin system. Is there anybody sufficiently interested to get involve with this form of collection? If so, Val and I would get together with you to talk it through, investigate the grants and see what we can come up with. To express interest call Val on 488231 or Christine on 488123.

OIL PURCHASE SCHEME

The village oil purchase scheme has completed 4 orders over the last year. Savings have averaged over 2p per litre and 51 individual orders have been made. The more people that get involved and order the greater the savings for everybody. Orders are placed every quarter, however, last year the December order was placed at a peak time and it was difficult to obtain delivery at the desired time. For this reason I am moving the order points back by one month. The new order points will be 1st November, 1st February, 1st May and 1st August.

Orders can be placed by contacting Geraint Harris by phone (01508) 481912 or email Geraint.harris@gmail.com in the 2 weeks before order date. Once all the orders are received, I ring round the local suppliers to obtain the best price. For this reason I do not know the oil price prior to the order date. The chosen supplier will then contact the individual client to arrange delivery, which typically happens between 5 to 10 days after placing the order.
