'LOOKING FORWARD TO SPRING'

## **MESSAGE FROM CHAIRMAN**

Welcome to the first edition of the Mardle for 2015. You will be aware of some big changes at the Village Hall with the new roof proving to be highly satisfactory in making the building much warmer, but even in the short time since its installation, the level of condensation has reduced considerably. Both aspects will bring long term benefits with lower heating bills and we hope the eradication of the puddles on the main hall floor with its refurbishment in early May will bring a much improved environment for all. The turbine has finally been dismantled and all associated installations removed after four years of pitiful generation returns! We are obtaining a refund of the monies invested by the Management committee which will be used to fund the installation of new double glazing/patio doors in the Social Club (Margaret Preston) room in the early Spring. The social club are very kindly staging the Safari Supper on Saturday, 14th March and are keen to hear from any potential hosts willing to provide starter or main course hospitality, as well as those who just want to be well fed and entertained, so please look at their notices & sign up as soon as possible. So 2015 will definitely be a year to remember for our Hall

John Bligh, Chairman

## **DANCING DAFFODILS**

Over the years Barry and Sue at The Conifers, Wymondham Road, have planted hundreds of daffodil bulbs and each year they have a splendid display which is well worth seeing. This year they will open their garden in aid of village hall funds. I would also add that Sue and her neighbour Sylvia are very good at baking cakes!! Another reason to visit this garden, to be open at the end of March or early April. The date will not be fixed until early March when the bulbs are beginning to bud up so watch out for posters or contact Sue on 01508 489654 to check details.

## PARISH COUNCIL

THE NEXT PARISH COUNCIL MEETING - Tuesday 10<sup>th</sup> March

### WRENINGHAM ALL SAINTS CHURCH

It may be 5 weeks since we celebrated Christmas but I still want to thank Victor and Rachel Long for providing the floodlighting for the church - I know that a good many people in the village like to see the church lit up over the festive period. It was great to see so many people at the Carols and Candles service when we had over 100 candles burning and I think the altar and chancel really did look good. My thanks to all those who did the flower arrangements and helped with this special service.

Mothering Sunday is on 15<sup>th</sup> March and for the first time that I can remember we will not have a service at Wreningham church but you are all invited to Ashwellthorpe All Saints instead at 10.30 am.

Christine Minns, Churchwarden

### Wreningham School

The school had a SIAMS (Church of England) inspection in November and gained an Outstanding grade. They also had a visit from Bishop Alan, (Suffragan Bishop of Thetford) to unveil the new stain glass window in the hall. This depicts the story of Noah and is a colourful representation of the ark filled with animals and the word "Hope". It was designed and made by the children with the support of stain glass window artist Teri Lockton.

The children took part in two Christmas nativity plays and carol singing round the village attracted over 50 children and adults.

This term children from class 3 and 4 are in the athletics final at the UEA, a tag rugby competition and 2 pupils are representing the Wymondham cluster in swimming at the UEA.
