## 1. Minutes of meeting held on 9 April and matters arising

The minutes of the meeting held on 9 April 2025 were agreed as correct. The printer is in place in the Village Hall, which is the responsibility of the PCC.

## 2 VE Day

It was agreed that the event went well and we received good feedback from those attending.

## 3 Finance update

The bank accounts are now operating properly with the current membership.

## 4 Bar update

Takings for May were up from last May. However, overall takings January to May are still down compared to last year. The weather makes a difference to people coming to the bar on Friday nights. The bar opens a couple of hours earlier before a country & western night on a Sunday afternoon. NP is looking to put up a sign to indicate when the bar is open and possibly one on the outside of the kitchen.
