October - November 2026

From the Village Hall .....

Hello all!

So Autumn is upon us and maybe the hosepipe ban will be lifted soon…

I hope you have all enjoyed the summer and are looking forward to joining in with our village activities over the next few months. We have a Beer, Burger & Bingo Night on 9th October - see page 9 - hopefully one (or all!) of those will interest you. We also have an 80s disco on 28th November: the profits from which will go into our solar panel fund.

We plan to install solar panels mainly to contribute to the financial stability of the hall, so please support this if you are able. We have had several individual donations, for which we are very grateful and are applying for grants, but there is still a way to go, so please go onto our website if you would like to sponsor a panel.

Looking a little ahead, on 5th December we have our annual Christmas tree lighting - see page 15. This has been running since 2020 and is a great start to the seasonal activities. We have tweaked it a little this year – it will now start at 4pm on SATURDAY. We will finish decorating the tree, switch on the lights and sing a few carols. It's then drinks and family activities at the hall until late with pizza and waffles for sale.

And we are hoping that our special guest will be able to find time for us, at his very busy time of year, even though it's a different day. He has come to join us every year and I'm sure it's not just the little ones who love to see him 😊. So thank you, 'special guest' for coming to see us and we really hope to see you again this year.

And please, a final important date for your diary. The committee's AGM is on 25th November at 7pm. This is when we present an annual report, including the financial accounts, showing what we have done with YOUR village hall this year. So whether you live in Top Row, Penny's Green, Hethel Road or the centre of the village, please come and show your support to the committee – and if you can bring ideas or offers of help, that would be great too.

Best wishes Sue Pink, Chair Village Hall Committee

A grant for solar panels!

We are delighted to announce that we have received a £4,000 grant donation from the Geoffrey Watling Trust. We have two further applications in hand for other grants which might be due in the coming weeks - and have everything tightly crossed.

Fundraising is continuing to raise all the sums needed. We would like to thank everyone that has donated so far but we aren't there yet. If anyone is able to donate we would be very grateful. Details can be found on the Village Hall Website.

Notes from Natalie:

Feet up Fridays

Thank you to everyone who has completed the survey regarding future food vans you wish to see. If you wish to express your opinion, the survey is still live. You can find it on the Wreningham Village Hall Facebook page and I will be working on booking the most popular options shortly. Following initial feedback, from next year, we will be changing the majority of Feet Up Fridays so they do not directly follow Cocktail nights.

Colour Run

Unfortunately our planned event had to be postponed due to a lack of volunteers. This has now been rearranged to Saturday 26th June 2027 so please save the date.

Last Coffee Morning - if you're reading this before 30th Sept

The September 30th event will be held in support of Finnbar's Force, the locally based charity supporting families of children with brain tumours, and we would love to see you there. There will be a raffle, for which we would really appreciate prize donations, and if you are a cake maker we would welcome your help! If you can contribute, please contact me, Jean Lambourne, on 01508 481947 and leave a message.

Wreningham All Saints

What lovely weather we had for the Norfolk Churches Trust cycle ride on 12 September and I know at least two people rode on behalf of our church. Thank you, and to those who sponsored you.

We still have no news about what the diocese has planned for us regarding clergy and the future. In the meantime, we are grateful to retired clergy and readers who come into the benefice and take some of our services, including the many funerals we have had recently.

In October we will be having our 5 yearly Architects inspection of All Saints church and we know that there will be a long list of repairs that are needed. Once we know the urgency of some of this work we will need to start fundraising and looking for grants. In the meantime:

In October we start the winter rota of church services which means that Wreningham will have a 9 am BCP HC once a month and will also normally have a 10.30 am service each month. For Oct/Nov they are:

Sunday 4th Oct. – 10.30 am Holy Communion
Sunday 25th Oct. – 9 am BCP Holy Communion
Sunday 1st Nov. – 10.30 am Holy Communion for All Saints Day
Sunday 22nd Nov. – 9 am BCP Holy Communion

All services across the Benefice are displayed in the church porch, you are welcome to join us at any of the churches. October sees the start of the winter programme of social events. You do not have to worship with us in church to be made welcome at any of these so do feel free to come along.

In brief

Our local newspaper delivery service (until July, run by KBS in Wymondham) has been taken over. A notable feature of the new service, run by '**News Team**', headquartered in Stoke-on-Trent, is the exceptionally early morning delivery times. They expect to complete their rounds no later than 8am on weekdays and no later than 9am, at weekends. Some newspapers have been popping through Wreningham letter boxes before 6am. If this re-energised service is of interest to you, the company's website is here: https://www.newsteamgroup.co.uk/ and they can be contacted on 01782 959530 or orders@newsteamgroup.co.uk .

Google Maps has recently been updated in our area to include **3D overhead images**. (The 3D functionality depends on your device and its software version.) Wreningham 3D imagery appears to be from mid-2026 and has enhanced resolution compared with before. Why not take a look!

Hall: Fun Quiz Night - Friday 13th Nov

Come and join us for a fun quiz night on the 13th of November for a 7pm start, in the main village hall. Tickets are available from behind the Witch and Wren bar, or using the Zeffy link on the poster - page 2. If you prefer to pre-book and pay on the night please contact Helen at tasbeaver@googlemail.com. This event is to raise some funds towards the maintenance of the village hall and we will be starting with a heads or tails competition. Please bring a pound in cash if you would like to join in. There will be prizes for the quiz winners and runners up.

The new Head Teacher

Mrs Philips is the new Head at Wreningham VC Primary School and has taken over the reins from the beginning of this term. It is a great school, well-loved by pupils, parents and staff. We wish her good luck and good fortune at the helm.

The Farthings

As you will be well aware, Alex Gray is progressing with the builds in the corner of the site by The Farthings. We will meet with him to explore the details of the work he is to undertake to deliver against the specification contained in the S106.

In the Village

We have recently installed two new benches for you to sit awhile and enjoy the scenery. One on the Reading Room and another in the playing field. We had hoped to place a bench near to the crossing of two footpaths but the landowner has withdrawn permission. Following recent requests we think a bench beside the Village Hall would be welcomed by its users.

This is my recurring plea to Dog walkers: take your dog poo with you either for deposit in one of the two bins provided, or home for disposal in your own bin.

B1135 and the new roundabout

By the time this goes to print the B1135 will be re-opened and the new roundabout in full use. The ten weeks whilst the B1135 was closed saw a

significant increase in traffic through our village. After the first two weeks the traffic volumes did reduce but settled at 2 to 3 times the normal volume. There were a few inconsiderate drivers who sped on our roads, behaved poorly to other drivers and pedestrians and who caused some damage to verges and people's hedging/trees. So far I have not heard of any serious incidents involving parishioners. The authorities were sympathetic to our woes and did what they could. Thank you all for your forbearance and understanding whilst waiting this out.

Parish Council

You are welcome to attend Parish Council's meetings. The agenda will be posted on the website and the village noticeboards. Our minutes are comprehensive and informative – a must read – and let you know on what and where the precept (part of your Council Tax) is spent. If you'd like to be at the sharp end of Parish work there is a vacancy waiting for you on the council. As a bonus your CV is enhanced through demonstrating time spent in parish and community service.

Focus on .... Wreningham Open Gardens 27th June 2027

Wreningham has such a great community spirit, and the open gardens event is one of the things which helps showcase this. We moved into the village 28 years ago and took part in the 2000 open gardens event. It was one of our first, and best, ways to get involved in community life.

That year, the organisers were our neighbours; they encouraged us to open our very young garden, which (then) comprised mainly a football pitch and a few borders!

On the day, the village was absolutely heaving with people. The car park, plant stall and refreshment teams were all working at full pelt. Garden hosts welcomed many strangers to their gardens, as well as old friends, with our personal welcomes getting positive feedback from the visitors - a great day!

The forthcoming 27th June 2027 Open Gardens will be the fourth time we have opened. In the intervening period, our garden has been developed and extended. Taking part helps give us the impetus to smarten things up around the house and garden, a bonus!

Each time we have hosted, we have really enjoyed being part of the team – and the day itself is always a delight and we meet lots of visitors. We would recommend it to anyone, whatever the size of your garden.

Accessible Post Office Services

Our MP Mr Ben Goldsborough is supporting a campaign to get full post office services in the main street in Wymondham. At present the nearest post office is 1.5 miles out of town. Elderly people and those going into town by public transport are unable to access this. As well as providing a much-needed service, it would benefit some of the shops and traders in town by encouraging more people into the centre. Local people are asked to sign the petition to support this. Forms are available in the Co-op in Market Street, Wymondham or locally, Christine Minns at High Gables, Church Road, Wreningham is collecting signatures.

Wreningham Fuel Trust

The Fuel Allocation Trustees will shortly be meeting to discuss the support they can offer to the less fortunate members of the parish. “The Trust” deed sets out that “The income from Wreningham Fuel Trust has to be given to provide fuel for the poor persons of the parish of Wreningham”. This means that the charity income is available to anybody living in the parish who is in need and an application may be made by the needy person or anybody who wishes to nominate a person to receive help towards their fuel bills. All applications are treated as confidential and only the clerk and Trustees are aware of the people considered for help.

PLEASE feel free to apply if you or somebody you know are struggling to cover the cost of heating as we go into the winter. Please get any application in by Wednesday 18th November.

If later in the winter, you or somebody you know, find themselves struggling it is not too late to make a request. The clerk can deal with applications as they come in and you should have an answer within weeks of applying so do not hesitate to apply with name and address of applicant or nominated person to the clerk: Christine Minns, High Gables, Church Road, Wreningham, NR16 1BH (Tel: 01508 488123). If you need any further explanation or details do contact me by phone.

Roadworks!

The roundabout construction in front of Hethel Engineering is completed whilst the road under the railway next to Wymondham Station is expected to reopen on the 27th October.

Another nearby closure is Colney / Hethersett Lane: a direct route between Hethersett and the N&N Hospital area. It's closed 'until 24th December' for an extension to the cycle path. The frequent A11/A47 Thickthorne delays make the major roads slow and unpredictable. *Another route to the N&N which appears reliable: up the B1113, left at Keswick to Cringleford etc.*

The last day for copy for the December / January Mardle is Friday 20th November. Send to WrenMardle@gmail.com
