Then why not stay on for the film?

Film at 1:15 for 1:30

This month's film is an American biographical musical drama based on a true story. It stars Hugh Jackman & Kate Hudson as Mike and Claire Sardina, who performed as the tribute band Lightning & Thunder. Both are singers & decide to perform together & later begin a romantic relationship.

After a misunderstanding about the target audience for their first gig, the show ends almost immediately in a brawl. Claire tells Mike he cannot be so stubborn about the band's future. He is upset about the failure, as he had the perfect night planned. In complaining about the night's ruination, he lets slip that he had planned to propose.

Everyone welcome

No charge, but a donation would be appreciated.

Dates for your Diary

Our last Bring and Share night this year has a **Christmas Finger Buffet** theme.

If you would like to join us, please bring a plate of food to share with others.

The evening starts at 7pm in the Witch and Wren and we usually start serving food at 7.15pm.

It would be really helpful if you could email Helen with what you intend to bring, so not everyone is bringing a plate of sausage rolls or mince pies!
If you have any questions or want to contact Helen you can email her at
